ܓܠܝܢܐ ܕܝܫܘܥ ܡܫܝܚܐ

Crawford Codex of the Book of Revelation

This is a complete and accurate transcript of every letter in the 'Crawford' codex of the Book of Revelation, excepting vowel points (because vowel points were not utilized when the Book of Revelation was written). I carefully prepared this typographical reproduction utilizing high resolution images of the original codex, which I obtained directly from the University of Machester (Special Collections). I am pleased to publish this work with no copyright or license restriction. It is Public Domain.
